AGENDA ITEM A visual tour of the parking lot north of 1916 City Hall, the progress of 1916 City Hall, and the outer neighborhood parks.

BACKGROUND We would like to review the condition of the parking lot north of 1916 City Hall, the progress of 1916 City Hall, and the outer neighborhood parks with the Commission. The purpose of this would be to view the conditions of the parking lot and outer parks in person to better enable informed future budgetary decisions regarding these locations. Since we will be close by, we will also review the progress of 1916 City Hall. Hard hats are required within 1916 City Hall.

The outer parks tour will be in the following order: Coffeyville/Wald; 10th/Edison; and 19th/Poplar. City Engineer John Garriss will lead the parking lot tour with assistance from Assistant City Manager/ADA Coordinator David Cowan. David Cowan will lead the 1916 City Hall tour. Park and Zoo Director Scott Patton will lead the tour of the outer parks.
