Kelly:

I apologize, but we won't be able to have the AIA Change Order form ready for the special meeting tomorrow. Therefore, I would just ask the commission to approve the CO with the maximum amount shown on the spreadsheet. Regarding the AIA form, we have to pay a subscription fee to use that form, and can only have it on one computer. We have it on JJ's computer, and JJ is off this week on medical leave. We can have it inserted into the AIA form next Monday.

Sorry for the inconvenience. We would prefer not to use the AIA form for Change Orders, and just use something similar, if that would be allowable by the City. It would save both time and money.

Thanks,

Shawn
