Director Approval Shawn Wallis

AGENDA ITEM Presentation Of Lifesaving Awards To The Following Employees:

1. Chris Furr (Fire/EMS)
2. Tristan Roegner (Fire/EMS)
3. Dee Standridge (Fire/EMS)
4. Paul Terry (Fire/EMS)

BACKGROUND Fire/EMS

On February 8, 2022, at approximately 0727 hrs., Independence Fire/EMS were dispatched to a residence for report of a female not breathing. Upon arrival, the husband was administering CPR with over the phone assistance from IPD dispatch. We took over CPR and initiated Advanced Life Support and called for a medical helicopter which resulted in the saving of her life.

AGENDA ITEM Consider Approving An Agreement With Community Mission For Approved Housing.

SUMMARY RECOMMENDATION Approve Agreement

BACKGROUND The City of Independence offers a grant program for homeowners called the Neighborhood Exterior Grant program. Through this offering, homeowners may submit eligible exterior home improvement projects for consideration. Eligible expenses will be reimbursed, 50% up to \$5,000 per home. To qualify, a home must have a partnering application in close proximity and the project must be at least \$1,000. Community Mission for Improved Housing's mission is to serve the Independence area by helping the poor, people with disabilities and the elderly repair their homes, building relationships among neighbors and bringing hope and spiritual renewal to our community. CMIH has approached the city in hopes to help partner with the city in removing barriers to participation in this grant opportunity. Since there is a minimum private investment of \$500 per home, this agreement would represent an agreement between CMIH and the homeowner stating that CMIH would provide the matching funds for the program and that the City would reimburse CMIH, not the homeowner, for all eligible expenditures. This agreement provides that the City of Independence, Kansas agrees to honor Homeowner's assignment of its right to receive reimbursement to funds reimbursed to Homeowner pursuant to the Independence Neighborhood Exterior Grant Program and agrees to make payment directly to CMIH pursuant to Homeowner's assignment set forth in the agreement.

BUDGET IMPACT N/A

SUGGESTED MOTION I move to approve the agreement as presented.

SUPPORTING DOCUMENTS

1. CMIH Agreement

AGREEMENT

This Agreement is entered into by and between the **Community Mission for Improved Housing, Inc.**, a non-profit corporation, hereafter CMIH, and _____, hereafter Homeowner.

Whereas, Homeowner owns the improved property located at _____, Independence, Kansas, and has made application for funds from the Independence Neighborhood Exterior Grant Program.

And Whereas, CMIH wishes to assist Homeowner in funding the improvements to Homeowner's property which qualify for partial reimbursement under the Independence Neighborhood Exterior Grant Program.

Now Therefore, in consideration of the mutual covenants and agreements hereinafter contained, the parties agree to the following:

1. **Independence Neighborhood Exterior Grant Program.** The City of Independence, Kansas, has created the Independence Neighborhood Exterior Grant Program. Pursuant to this program, a homeowner who meets certain qualifications may apply for and receive up to a \$5,000.00 reimbursement of costs of improvement to the homeowner's property provided they meet all qualifications of the grant program.

2. **CMIH Loan.** CMIH agrees to fund up to 50% of qualifying expenses for improvements to Homeowner's property, not to exceed \$5,000.00. CMIH may elect to make this funding available to Homeowner by direct payment to one or more contractors/sub-contractors employed by Homeowner to make the improvements to Homeowner's property.

3. **Homeowner Obligations.** Homeowner agrees to adhere to all rules pertaining to the Independence Neighborhood Exterior Grant Program, to supply all information required by the City of Independence under the grant program, to make timely application and follow all guidelines of the program, and to otherwise take all steps necessary to ensure that Homeowner will be entitled to a reimbursement of up to 50% of qualifying expenditures, not to exceed the sum of \$5,000.00. If CMIH determines that Homeowner is noncompliant with the rules of the Independence Neighborhood Exterior Grant Program, CMIH may withdraw from this agreement and may require Homeowner to reimburse CMIH for all funds advanced by CMIH to the date of withdrawal.

4. **Assignment for Reimbursement.** Homeowner hereby assigns, transfers and

conveys unto CMIH, Homeowner's right to receive reimbursement from the City of Independence, pursuant to the grant program, of up to 50% of qualifying expenditures for improvements to Homeowner's home, not to exceed \$5,000.00. The amount of this assignment shall not exceed the amount advanced by CMIH to Homeowner. Homeowner agrees that the City of Independence may make reimbursement directly to CMIH for funds advanced by CMIH to Homeowner for purposes of the grant program.

5. **Binding Effect.** This agreement shall be binding upon the heirs, successors and assigns of the parties hereto.

**COMMUNITY MISSION FOR IMPROVED
HOUSING, INC.**

CITY OF INDEPENDENCE
March 10, 2022**

Department Admin

Director Approval John Garris

AGENDA ITEM Consider An Ordinance Amending Previous Boundary Ordinances And Establishing The Legal Boundaries For The City Of Independence.

SUMMARY RECOMMENDATION Adopt the ordinance.

BACKGROUND On November 19, 2020, the City Commission adopted Ordinance 4340 amending the previous boundary ordinances and establishing the legal boundaries. Since that time corrections have been made to the legal description. The ordinance language was reviewed by the City Attorney and the legal description was prepared and certified by TranSystems.

BUDGET IMPACT N/A

SUGGESTED MOTION I move to adopt an ordinance amending previous boundary ordinances and establishing the legal boundaries.

SUPPORTING DOCUMENTS

1. Proposed Ordinance 4381 - City Boundry
2. City of Independence Boundary Description_22-01-14

ORDINANCE NO. 4381

AN ORDINANCE AMENDING PREVIOUS BOUNDARY ORDINANCES AND ESTABLISHING THE LEGAL BOUNDARIES FOR THE CITY OF INDEPENDENCE

Be it ordained by the Governing Body of the City of Independence, Kansas:

- Section 1.** This ordinance is a “boundary ordinance” establishing the legal boundaries for the City of Independence, Kansas.
- Section 2.** This ordinance amends and replaces all previous boundary ordinances now in existence.
- Section 3.** The legal boundaries of the City of Independence, Kansas shall be as set forth on Exhibit A attached hereto and incorporated herein by reference.
- Section 4.** This ordinance shall take effect upon its publication in the official city newspaper.

*Adopted by the Governing Body of the City of Independence, Kansas, on the 10th day of
March, 2022.*

DEAN HAYSE, Mayor

ATTEST:

DAVID W. SCHWENKER, City Clerk

AGENDA ITEM Consider Adopting An Ordinance Authorizing The Mayor To Remove Members Of Boards Or Commissions For Non-Attendance.

SUMMARY RECOMMENDATION Adopt the ordinance

BACKGROUND Section 2-99 of the City Code provides criteria for removing members from the Planning Commission for non-attendance. Since attendance is important in conducting business, it is recommended that this section on non-attendance be applied equally to all City appointees of Boards or Commissions. It should be noted that the wording is "may" remove any persons for non-attendance as extenuating circumstances should be taken into consideration before the removal of any member.

BUDGET IMPACT N/A

SUGGESTED MOTION I move to adopt an ordinance authorizing the Mayor to remove members of Boards or Commissions for non-attendance.

SUPPORTING DOCUMENTS

1. Proposed Ordinance

ORDINANCE NO. _____

**An Ordinance Authorizing the Mayor to Remove
Members of Boards or Commissions for Non-Attendance**

BE IT ORDAINED by the Governing Body of the City of Independence, Kansas:

Section 1. City Code Section 2-99 which is specific to members of the planning commission is hereby repealed.

Section 2. The Mayor, upon a majority vote of the governing body, may remove any persons appointed by the governing body to any board or commission of the city for non-attendance based upon the following criteria:

- a. Absence from three consecutive meetings at which a vote can be taken; or
- b. Absence during any 12-month period of one-third of the total meetings at which votes can be taken.

Section 3. This Ordinance shall take effect upon its publication in the official City newspaper.

Adopted by the Governing Body of the City of Independence, Kansas, on the 10th day of March, 2022.

DEAN HAYSE, Mayor

Director Approval Scott Patton

AGENDA ITEM Consider Proclaiming April 29, 2022 As Arbor Day.

SUMMARY RECOMMENDATION Adopt the proclamation

BACKGROUND On February 25th, 2016 The City Commission approved Ordinance # 4214 creating a Tree Board to honor the city's rich history of enjoying and preserving local natural resources and to promote and protect public health, safety, and general welfare by providing for the development of a Community Forestry Plan to address the planting, maintenance, and removal of trees located on public property, or which encroach upon public property, and to enhance the natural beauty of the community.

This year the Tree Board plans on celebrating Arbor Day on Friday, April 29th, 2022. This is the first step in renewing our recertification for Tree City USA.

BUDGET IMPACT N/A

SUGGESTED MOTION I move to sign the Arbor Day Proclamation for April 29, 2022.

SUPPORTING DOCUMENTS

1. Arbor Day Proclamation 2022

OFFICIAL PROCLAMATION

WHEREAS in 1872, the Nebraska Board of Agriculture established a special day to be set aside for the planting of trees, *and*

WHEREAS this holiday, called Arbor Day, was first observed with the planting of more than a million trees in Nebraska, *and*

WHEREAS Arbor Day is now observed throughout the nation and the world, *and*

WHEREAS trees can be a solution to combating climate change by reducing the erosion of our precious topsoil by wind and water, cutting heating and cooling costs, moderating the temperature, cleaning the air, producing life-giving oxygen, and providing habitat for wildlife, *and*

WHEREAS trees are a renewable resource giving us paper, wood for our homes, fuel for our fires, and countless other wood products, *and*

WHEREAS trees in our city increase property values, enhance the economic vitality of business areas, and beautify our community, *and*

WHEREAS trees — wherever they are planted — are a source of joy and spiritual renewal.

NOW, THEREFORE, I, _____, Mayor of the City of _____, do hereby proclaim _____ as **ARBOR DAY**

In the City of _____, and I urge all citizens to celebrate Arbor Day and to support efforts to protect our trees and woodlands, *and*

FURTHER, I urge all citizens to plant trees to gladden the heart and promote the well-being of this and future generations.

DATED THIS _____ day of _____, _____

AGENDA ITEM Consider Setting The Date Of May 26, 2022 At 5:30 P.M. For A Public Hearing To Consider Condemnation Of 317 S. 2nd As Dangerous And Unsafe.

SUMMARY RECOMMENDATION Adopt the resolution

BACKGROUND The structure was involved in a fire on October 14, 2021 that extended into the attic space and did substantial damage to the structure.

BUDGET IMPACT N/A

SUGGESTED MOTION I move to adopt a resolution setting the date of May 26, 2022, at 5:30 p.m. for a public hearing to consider the condemnation of 317 S. 2nd as dangerous and unsafe.

SUPPORTING DOCUMENTS

1. RESOLUTION 2022-007 - CONDEMNATION - PH - 317 S 2ND

RESOLUTION NO. 2022-007

A RESOLUTION FIXING A TIME AND PLACE AND PROVIDING FOR NOTICE OF HEARING BEFORE THE GOVERNING BODY OF THE CITY OF INDEPENDENCE, KANSAS, OF WHICH OWNERS, OWNERS AGENTS, LIEN HOLDERS OF RECORD AND ANY OCCUPANTS, IF ANY, OF THE STRUCTURE OR STRUCTURES IDENTIFIED BELOW, IN SAID CITY MAY APPEAR AND SHOW CAUSE WHY SAID STRUCTURE OR STRUCTURES SHOULD NOT BE CONDEMNED AND ORDERED REPAIRED OR DEMOLISHED PURSUANT TO K.S.A. 12-1751 ET. SEQ.

WHEREAS, the enforcing officer of the City of Independence, Kansas, did on the 10th day of March 2022, file with the Governing body of said City, statements and reports in writing that the structure or structures located on said properties hereinafter described are unsafe and/or dangerous:

Legal: Original Plat Lot 4 Block 74 to the City of Independence, Montgomery County, Kansas

Common Address: 317 S 2nd Street

Mortgage:

NOW, THEREFORE, be it resolved by the Governing Body of the City of Independence, Kansas:

That a public hearing will be held on Thursday, **May 26, 2022** before the Governing Body of the City of Independence, Kansas, at **5:30 p.m.**, in the Civic Center, Memorial Hall, Penn Ave. and Locust Streets, Independence, Kansas, at which time the owner, the owners agent, any lien holders of record and any occupant of the structure or structures located on the properties described herein, may appear and show cause why such structure or structures should not be condemned as unsafe and/or dangerous and ordered repaired or removed.

Be it further resolved that the City Clerk shall cause this Resolution to be published one time each week for two consecutive weeks on the same day of each week, that at least thirty (30) days shall elapse between the last publication and the date set for hearing and the City Clerk shall give notice of the aforesaid hearing in the manner provided by Ordinance and by law.

Be it further resolved by the Governing Body of the City of Independence that its authority for the actions set forth herein is established pursuant to K.S.A. 12-1751 ET. SEQ.

Adopted this 10th day of March 2022.

AGENDA ITEM Consider Approval Of Change Order With Bryant And Bryant For The Main Street From 8th To 10th Project.

SUMMARY RECOMMENDATION Approve the change order

BACKGROUND The 8th and Main reconstruction project requires the removal of the street, sidewalks, and gutters to reconstruct the road. Substantial savings were achieved by mobilization at the start of the project to do all the demolition at one time. However, this would leave gravel paths to several businesses and impact their business for four months. City Staff met with Bryant and Bryant and Transystems and determined that they could saw cut the Southside of Main Street sidewalk between 8th and 9th. The Contractor would leave approximately 4' of sidewalk against the building to allow for pedestrian access along with ADA accessibility. On the north side of Main, the Contractor would leave approximately 4' of sidewalk from 8th and Main to Gold and Silver. The 4' of sidewalk against the building as described above will eventually be replaced near the end of the construction period, which is anticipated to take a few weeks. This revised scheduling will greatly reduce the period that pedestrians are accessing businesses on gravel, and greatly reduce the impact on the businesses. To separate the active pedestrian corridor from the construction area, an orange construction fence will be installed to parallel the pedestrian corridor.

The Contractor will also leave an exit lane for Scooter's on Main Street. Per KDOT standards, a snow fence must be placed along the sidewalk to keep citizens out of the construction zone.

City Staff, with the assistance of Joanne Smith, are also making directional signage to place around the construction site to provide citizens with directions to parking and building access.

City staff would also request permission to place some temporary reserved parking signs for the business to allow customers access to the businesses. We would place these signs on 8th and 9th streets.

On 3/8/2022 the City received an additional change order request for traffic that is attempting to make a left turn at 10th and Main when exiting Scooter's. This change order will allow for the proper signage and restrict cars to a right turn only during construction. KDOT has approved the request.

BUDGET IMPACT

Sawcut	\$2,100.00
Fence	\$4,387.61
Right turn	\$2,160.00
Total	\$8,647.61

SUGGESTED MOTION I move to allow the mayor to sign a change order for Bryant and Bryant in the amount of \$8,647.61 and allow City Staff to install additional temporary signage and parking for the businesses during construction.

SUPPORTING DOCUMENTS

1. Change Order
2. Directional Signs - Main St. Eastbound-Westbound
3. Reserved Parking Signs

To: David Cowan <davidc@independenceks.gov>; Justin C. Lange <jclange@transystems.com>
Subject: FW: KA 5424-01 Independence Main Street

David:
See the email below for the detailed costs. A summary is:

Sawcut \$2,100
Fence \$4,387.61
Total \$6,487.61

The work includes the additional sawcut, and orange construction fencing for the full block on the South side from 8th to 9th, and the half block on the North side.

We believe the requested price is reasonable for the described work.

Cc: Bud Bryant <bud@bbci.us>; Geryd Erbele [KDOT] <Geryd.Erbele@ks.gov>
Subject: RE: KA 5424-01 Independence Main Street

Justin,

To begin, we are requesting that KDOT add the line item "Extra Work Saw Cuts (SET PRICE)" Item No.

037209 @ \$3.50/LF to this contract to cover the unanticipated extra saw cuts to facilitate the phasing and orange construction fence outlined below. In keeping with consistency, we'll just figure this quantity to be 600 LF to match the fencing so we'd be looking at an addition to the contract of approximately \$2,100.00. Joe Bryant anticipates the actual saw cut to be more in the 500 LF range. We are requesting 1 working day be added to facilitate this extra work item.

We are also requesting a new line item for Fence (Construction)(Temporary) Item No. 071252 be added. Attached is a quote from our supplier for the fence and posts. We're figuring 1 post per 10 LF so we'll need 6 ea 4' x 100' rolls of fence, 60 posts, and 3 packages of UV Cable ties to cover 600 LF. Since the items won't be incorporated into the final product we'll be charged sales tax. Wichita sales tax, where we'll be purchasing these items, runs 7.5 %. So, breakdown is as follows:

- Materials:
 - Fence: 6 Rolls x \$84.93 = \$509.58
 - Posts: 60 ea x \$10.21 = \$612.60
 - Ties: 3 Packages x \$10.61 = \$31.83
 - Total Materials: \$1,154.01 x 1.15 (15% Mat'l Markup) = \$1,327.11
- Labor:
 - Material Pickup/Delivery: 1 guy x 6 hrs (round trip) x \$20/hr = \$120.00
 - Install: 3 guys x 10 hours x \$20/hr = \$600.00
 - Total Labor: \$720 x 1.55 (55% OH/Ins.) = \$1,116.00 (1 working day)
- Equipment:
 - ¾ TN Pickup: (pickup/delivery): 6 hrs x \$35.50/hr = \$213.00
 - Mini Ex: (leveling/driving posts): \$29/hr x 10 hr = \$290.00
 - Total Equipment: \$503.00
- Travel/Subsistence:
 - 2 rooms x \$100/ea = \$200.00
 - 3 guys x \$25/day x 1 day = \$75.00
 - Total: \$275.00 x 1.15 (15% markup) = \$316.25
- Removal:
 - Anticipate ½ the time to remove but Travel/Subsistence remain the same:
 - Labor: \$1,116.00 ÷ 2 = \$558.00
 - Equipment: \$503.00 ÷ 2 = \$251.00
 - Travel/Sub.: \$316.25
 - Total for Removal: \$1,125.25 (1 working day)
- Unit Price: \$1,327.11 + \$1,116.00 + \$503.00 + \$316.25 + \$1,125.25 = \$4,387.61 ÷ 600 LF ≈ \$7.32/LF

To summarize, we are requesting the line items for Extra Work Saw Cut (SET) @ \$3.50/LF and Fence (Construction)(Temporary) @ \$7.32/LF and 3 working days be added to this contract.

The undersigned hereby certifies, under the penalty of law for perjury or falsification, that I am authorized to submit this contract adjustment request on behalf of the Contractor and to bind the

Contractor, that the contract adjustment request is made in good faith and, to the best of the Contractor's knowledge and belief, is a true and complete statement of the estimated costs and time sought for the Contract Change and is authorized by the Contract. I further certify that no additional claims will be submitted related to this contract adjustment request, and the Contractor will maintain documentation that supports the contract adjustment request.

Regards,

Ray Bryant

Department Public Works & Utilities

Director Approval John Garris

AGENDA ITEM Consider Authorizing Change Order Number 1 With J. Graham Construction On The Enterprise Drive Project.

SUMMARY RECOMMENDATION Authorize change order

BACKGROUND As part of the work associated with the Precision Rail project, the City committed to move the existing 8" line along the south side of the Precision Rail property. This work has been quoted as a part of the utility work for the Enterprise Drive project at a cost of \$18,700. This will remove cap the existing 8" line and increase the line size of the new line heading south along the boundary of the new property being developed to maintain water flow redundancy to users in the Labette Health area.

BUDGET IMPACT N/A

SUGGESTED MOTION I move to authorize Change Order Number 1 with J. Graham Construction in the amount of \$18,700 and the execution of any required documentation.

1306 S. Elm St.			
Coffeyville, KS			

THE CONTRACT IS CHANGED AS FOLLOWS:

This change is a result of the new Precision building site requiring the City to change it's water supply. We will be eliminating the existing 8" waterline that currently runs on the Southern Boundry of the Precision property and increaseing the new 8" HDPE line to 12" in order to handle the demand. This increase covers the material and labor to abandon and cap the existing line and upsize the proposed 8" HDPE to 12" HDPE water line

**REQUEST FOR COMMISSION ACTION
CITY OF INDEPENDENCE
March 10, 2022**

Department Admin

Director Approval David Cowan

AGENDA ITEM Consider temporarily waiving the application process and fee for ROW access on Main between 8th and 10th only during construction.

SUMMARY RECOMMENDATION City Staff recommends suspending the application for the construction area.

BACKGROUND City Staff is working with Main Street on the Patio 210 Food Trucks that visit Independence. The Brewery is working with Main Street and will be providing electric hook-up and ROW parking for a food truck during the construction period of Main Street. They asked if the City could waive the application and fee during the construction and closure of Main Street.

BUDGET IMPACT N/A

SUGGESTED MOTION I move to waive the application process for ROW access on Main between 8th and 10th only during the construction.

March 10, 2022**

Department Admin

Director Approval David Cowan

AGENDA ITEM Consider extending the City Hall bid date to March 15, 2022.

SUMMARY RECOMMENDATION City Staff recommends approval of the new bid date.

BACKGROUND City staff was contacted by McCown Gordon regarding the bid date of March 11, 2022, and requesting the commission extend the date to March 15, 2022 at 5:00 p.m. The trade partners have asked many questions about the drawings, and Treanor is providing good information back. To get the best value for the City of Independence, we request the bid date be extended to March 15, 2022, at 11:00 a.m. This will allow the Trade Partners more time to digest the response to their questions and reduce or eliminate any assumptions they make on their bid.

With the extended bid date, McCown Gordon will still present to the commission on March 24, 2022, meeting date.

BUDGET IMPACT N/A

SUGGESTED MOTION I move to extend the City Hall bid date to March 15, 2022, at 11:00 a.m.

AGENDA ITEM Economic Development Advisory Board Summary Recommendation

BACKGROUND At the March 1, 2022 Economic Development Advisory Board meeting, the board reviewed the language and requirements of the Downtown Independence Building Grant Program to see if any modifications should be recommended to the Commission. The board spent over an hour analyzing the grant program, requirements, the purpose and mission of the grant, as well as other grant opportunities that could help address gaps in eligibility.

The Downtown Independence Building Grant Program was established for the sole purpose of aiding in the preservation of the structural integrity of existing commercial buildings located within the Central Business District of the City of Independence to maintain the economic stability of the Central Business District. The structural integrity of the district as a whole relies on the sum of all parts. Due to the nature of their construction, one building's degradation can significantly affect the integrity of the adjacent buildings and the district as a whole.

The board recognizes that other commercial buildings play an important role in independence, but struggles with where to draw the line if program requirements were changed. Because there are not unlimited funds and there are still many buildings in the downtown central business district that need significant improvement, it was voted unanimously that no changes to the program be recommended at this time.

SUPPORTING DOCUMENTS

Economic Development Advisory Board

February 1, 2022, Meeting Minutes

I. Call to order

Chair Chuck Goad called to order the regular meeting of the Economic Development Advisory Board at 3:30 PM on February 1, 2022, at Memorial Hall and via conference call.

II. Roll call

The following members were present:

Chair Chuck Goad (17-1)
Vice-Chair Wayne Stephany (18-0)
Paul Yaroslaski (15-3)
Rod Zinn (1-0)
Tabitha Snodgrass (Ex-Officio)
Lisa Wilson (Ex-Officio)
April Nutt (Ex-Officio)

The following members were absent:

Lori Kelley (16-2)
Jason Curtis (16-2)
J.D. Cox (1-1)

The following staff were present:

Kelly Passauer, City Manager
David Cowan, Assistant City Manager
Lacey Lies, Director of Finance
Lydia Collins, Administrative Aide

The following visitors were present:

Tom Simpson

III. Approval of Minutes from January 4, 2022

A motion was made by Wayne Stephany to approve the minutes, seconded by Paul Yaroslaski. The motion passed unanimously.

IV. New Business

A. Reorganization

- Election of Chair – Chuck Goad.
- Election of Vice Chair – Wayne Stephany.
- Election of Secretary – Paul Yaroslaski.
- Time and Date of Meetings – set the same
- Orientation from City Attorney- City Attorney Jeff Chubb presented rules on decisions and policies and answered questions.

B. Consider changes to the city's Downtown Business District Commercial Building Grant

David Cowan presented the changes that April Nutt suggested. The City is working on providing incentives to owners to develop upper story housing. The source of the funds is in economic development. The grant starts new every year with \$50,000. Fire suppression, electrical and plumbing upgrades are the three new incentives. Every will require every new building owner to put in new electrical systems. April Nutt is working with the City Commission to make the downtown RHID qualified. Chuck Goad recommends that the City Commission allow the funds to carry over annually to a maximum of \$100,000. Chuck Goad moved to support the changes, Wayne Stephany seconded. Motion carried.

V. Items for Discussion

A. Update on Internet Access

- Internet Subcommittee

Wayne Stephany gave the report. The group met with area cities. Coffeyville does their own, competing against Cox. We will visit with Coffeyville more in depth. The consensus was to pool our resources to improve service and hold down the cost. With the State offering assistance with broadband we will work together. A Zoom meeting is being set up on February 7th at 1:00 p.m.

B. Update on Neighborhood Revitalization Plan

Lacey Lies has reached out to the county to have them share their format to mirror that for the City.

C. Update on County's Participation in Rural Opportunity Zone

Charlotte said the county approved participation but not a funding level which she will be taking to the next meeting for \$15,000 which is entry level. This will qualify us for the student loan forgiveness program. Rod Zinn asked about the HUB and if Independence is in that. Lacey Lies said she would look into it.

D. Land Acquisition Subcommittee

Research is being done to either expand the industrial park or have a new industrial park which could involve annexation. J.D. Cox asked if this and the annexation subcommittee should be combined since they overlap. Chuck Goad said not at this time, but it could be looked at again. Chuck suggested meeting at 2:30 on the first Tuesday. March 1st is tentatively set for the first

meeting.

E. Annexation Subcommittee

Kelly Passauer suggested having Jeff Chubb come to the first meeting to explain annexation.

F. Other items for discussion

VI. Adjournment

A motion was made to adjourn by Wayne Stephany, seconded by Paul Yaroslaski.
Motion carried unanimously.

Minutes approved by:

Chuck Goad, Chair

Paul Yaroslaski, Secretary

Visitors Present

Sarah Kromer
Matthew McLenon
Miranda Bruening
Anna Krstulic (by phone)

Minutes

- a. Consider approving minutes of the December 7, 2021, meeting.

Motion

Kendall Neill moved to approve the minutes of the December 7, 2021, meeting. Brent Littleton seconded the motion. Motion carried 8-0.

Kendall Neill authorized Barb Emert to sign the minutes in the absence of Rachel Lyon.

Board of Zoning Appeals (Does not include outside City appointments)

- b. To receive comments on a variance request to exceed the number and size of signs in the C-3, central business district, at 100 North 10th Street.

Details:

Site Address: 100 North 10th Street
Legal Description: Lot 6-9 Block 40 Orig Plat, City of Independence, Montgomery County, Independence.
Property Owner: Brew Crew Properties LLC, Sarah Kromer
Existing Use: Scooter's coffee kiosk
Existing Zoning: C-3, central commercial district

Background/History: Scooter's was recently built, and they are wanting to add three of their brand standard snap signs to the building that are 8 sq. ft. rather than the 5 sq. ft. the City Code allows. They currently have 4 signs, one on the front, one on the back and one on each side of the building. This would add three signs on each side.

Request:

There is a Scooter's Coffee Drive-Thru sign already on the building and they want to add 3 more signs to each side of the building. City Code for a corner building allows for one sign per face of building not to exceed 50 square feet or five percent of the total area, whichever is smaller.

A standard Scooter's coffee kiosk has four (4) signs on each side of the building, one sign in front and one at the rear, for a total of ten (10) signs. They have one free-standing sign which City code allows. The brand standard size they use for the three signs they want to add is 8 sq. ft. The City Code allows for 5 sq. ft. signs. The total sq. ft. for the four signs on each side of the building is 66.4 sq. ft., 16.4 sq. ft. more than the City Code allows.

Policy Explanation:

802.6. District C-3, central commercial district:

a. Permitted signs:

1. *[Generally:]* Signs permitted in the C-3 district shall be illuminated signs, nonilluminated signs, marquee signs, temporary signs, wall signs and projecting signs with the exception that no sign shall be mounted, painted or affixed to any surface extending above the transom or storefront beam whichever is higher.

2. *Wall signs:* One sign per face of building not to exceed 50 square feet or five percent of the total area, whichever is smaller.
 3. *Corner buildings:* One sign equal to standards above for each wall.
 4. *Multiuse signs:* Total sign area for all uses not to exceed above standards.
 5. *[Signs hanging from awnings or mounted to storefronts:]* Signs hanging from awnings or mounted to storefronts may not exceed five square feet per face.
 6. *[Freestanding buildings:]* Freestanding buildings shall be permitted one freestanding sign not to exceed 80 square feet per face or 160 square feet total of all faces in the sign area. The top of the sign shall not be higher than 25 feet above ground level.
 7. *Historical restorations or reproductions:* Historically significant or reproduced signs shall be referred to the Main Street Committee for recommendation to the city commission who may authorize such installation.
 8. *[Rear wall signs:]* One rear wall mounted sign not to exceed 18 inches by 36 inches for business identification.
- b. *[Poster panels and billboards:]* Poster panels and billboards shall not be permitted in the C-3 zone.
- c. *Signs on awnings, canopies, and marquees:*
1. There shall not be more than one sign exceeding an aggregate gross surface area of such awning, canopy or marquee of ten percent of the gross area for each principal building.
 2. The gross surface area of a sign shall not exceed 50 percent of the gross surface area of the awning, canopy or marquee to which the sign is fixed.
- d. *General standards:*
1. Any awning, canopy, marquee or projecting sign shall not be less than seven feet above the surface of the grade of any street or sidewalk.
 2. Awnings and canopies shall be no closer than four feet from the public street curb and in no case extend more than 12 feet from the property line.
 3. Marquees shall be no closer than two feet from the property line.

Variance: The granting of permission by the board of zoning appeals to allow the development of a lot or tract for uses allowed within the zoning district in a manner which exceeds maximum limits or is less than minimum limits established by these regulations and where such limits prohibit use of the land in a manner equivalent to the abutting similarly zoned properties.

Sec. 2-116. - Variances, exceptions.

When deemed necessary by the board of zoning appeals, the board may grant variances and exceptions from the zoning regulations on the basis and in the following manner:

1. To authorize in specific cases a variance from the specific terms of the regulations which will not be contrary to the public interest and where, due to special conditions, a literal enforcement of the provisions of the regulations, in an individual case, results in unnecessary hardship, and provided that the spirit of the regulations shall be observed, public safety and welfare secured, and substantial justice done. Such variance shall not permit any use not permitted by the zoning regulations in such district. A request for a variance may be granted in such case, upon a finding by the board that all the following conditions have been met:

In considering the providing of a variance we wish to provide the following information:

1. *That the variance requested arises from such condition which is unique to the property in question and which is not ordinarily found in the same zone or district; and is not created by any action or actions of the property owner or the applicant;*
 1. The four (4) standard brand signs are made for all Scooter's coffee kiosks and used for continuity.
2. *That the granting of the permit for the variance will not adversely affect the rights of the adjacent property owners or residents; The granting of the permit for the variance will not adversely affect the rights of the adjacent property owners or residents as the signs are not in excess.*
3. *That the strict application of the provisions of the zoning regulations of which variance is requested will constitute unnecessary hardship upon the property owner represented in the application; The four (4) standard brand signs are used at all Scooter's coffee kiosks. Scooter's has done ample research for specific sizing on their snap frames and they are large enough to be seen but not in excess.*
4. *That the variance desired will not adversely affect the public health, safety, morals, order, convenience, prosperity, or general welfare; It does not appear that the variance will adversely affect public health, safety, morals, order, convenience, prosperity or general welfare.*
5. *That granting the variance desired will not be opposed to the general spirit and intent of the zoning regulations. According to section 801.2 of the zoning code, the intent and purpose of the sign code is: "Regulation of the location, size, placement, and certain features of signs is necessary to enable the public to locate goods, services, and facilities in the City of Independence without difficulty and confusion, to encourage the general attractiveness of the community, and to protect property values therein." Granting the variance will not be opposed to the general spirit and intent of the zoning regulations. The signs are standard to any Scooter's coffee kiosk.*
2. To grant exceptions to the provisions of the zoning regulation in those instances where the board is specifically authorized to grant such exceptions and only under the terms of the zoning regulation.

In no event shall exceptions to the provisions of the zoning regulation be granted where the use or exception contemplated is not specifically listed as an exception in the zoning regulation. Under no conditions shall the board of zoning appeals have the power to grant an exception when conditions of this exception, as established in the zoning regulation by the board of commissioners, are not found to be present.

Staff Recommendation: City Staff recommends approving the variance based upon staff recommendation of the evidence presented in each specific case that:

- a. The granting of the variance will not be detrimental to the public safety, health or welfare or injurious to other property or improvements in the neighborhood in which the property is located.
 1. There is no apparent issue with public safety, health or welfare.
 2. The coffee kiosk has already made improvements by tearing down the old gas station and improving the area.
- b. The conditions upon which the request for a variation is based are unique to the property for which the variation is sought, and are not applicable generally to other property.
 1. The standard brand snap signs are used universally and would make this coffee kiosk stand out as different from other Scooter's coffee kiosks if the variance is not granted.
- c. Because of the particular physical surroundings, shape or topographical conditions of the specific property involved, a particular hardship to the owner would result, as distinguished from a mere inconvenience, if the strict letter of these regulations are carried out.
 1. The store would not be in continuity with other Scooter's coffee kiosks.

Chair Kendall Neill opened the hearing. There were no public comments.

Motion:

Lisa Richard moved to approve a variance to exceed the number and size of signs in the C-3, central business district, at 100 North 10th Street by allowing three (3) additional signs on both the east and west side of the building for a total of six (6) additional "snap frame" signs measuring 8.4 square feet each for a total of 50.4 square feet of additional signage. Mary Jo Meier seconded. Motion carried 8-0.

- c. To receive comments on a variance request to decrease the setbacks in an R-2 single-family dwelling district at 1222 North 2nd Street.

Details:

Site Address: 1222 North 2nd Street
Legal Description: Lot 33 & 34 Belmont Addition, City of Independence,
Montgomery County, Independence.
Property Owner: Hentges, Stephanie L Amended & Restated Rev Trust 5/24/2018
Existing Use: Residence
Existing Zoning: R-2, single-family dwelling district

Background/History: Mr. and Mrs. Hentges own the property and have been working with Miranda Bruening from HBK Architecture to build a new garage.

Request:

Mr. and Mrs. Hentges want to place a detached garage within two (2) foot from the south side yard property line and the neighbor's garage. This would be a six (6) foot encroachment. The residence had an existing garage, but it was not structurally sound, and they tore it down. They now want to build a new, deeper garage in the same place the old garage was in with the same two (2) foot between their garage and the neighbor's garage.

Policy Explanation:

03.0. - R-2, single-family dwelling district.

503.1. Intent: The purpose of this district is to provide for single-family residential development of low population density together with such public buildings, schools, churches, public recreational facilities and accessory uses, as may be necessary or are normally compatible with residential surroundings.

503.2. Permitted uses: The listing of permitted uses is set out in appendix "A" of these regulations.

503.3. Conditional uses: The listing of conditional uses is set out in appendix "A" of these regulations.

503.4. Intensity of use regulations:

a. *Minimum lot area:* Single-family dwellings—7,200 square feet

Exception: Where a use is not connected to a public sewer, lot area shall be increased to area determined as adequate by the city engineer to meet current health standards.

b. *Minimum lot width:* 50 feet at the front building line, except cul-de-sac lots may be 35 feet at the front building setback line.

c. *Maximum lot coverage:* 30 percent.

503.5. Height regulations:

a. *Maximum structure height:* 35 feet or 2½ stories (whichever is smaller).

503.6. Yard regulations:

a. *Minimum front yard:*

1. The front yard shall be a minimum of 25 feet in depth measured from the front lot line.
2. Where lots have a double frontage, the required front yard shall be provided on both streets.

b. *Minimum side yard:*

1. Interior side yards: Eight feet.
2. Where the side yard fronts on a street, the minimum front yard shall be provided.

c. *Minimum rear yard:* Ten feet.

Exception: On lots of irregular rear property lines or when residence is located on the lot at an angle, rear yard dimensions shall be taken at each end of building parallel to the sides and the perpendicular measurement taken from the rear of building to the furthest point of the lot. The average of these three measurements shall equal at least ten feet. However, in no case shall the building or structure be located less than eight feet perpendicular from any property line.

503.7. Parking regulations:

a. *Off-street parking:* Two spaces for each single-family dwelling. (See article VII for additional parking requirements.)

Variance: The granting of permission by the board of zoning appeals to allow the development of a lot or tract for uses allowed within the zoning district in a manner which exceeds maximum limits or is less than minimum limits established by these regulations and where such limits prohibit use of the land in a manner equivalent to the abutting similarly zoned properties.

Sec. 2-116. - Variances, exceptions.

When deemed necessary by the board of zoning appeals, the board may grant variances and exceptions from the zoning regulations on the basis and in the following manner:

1. To authorize in specific cases a variance from the specific terms of the regulations which will not be contrary to the public interest and where, due to special conditions, a literal enforcement of the provisions of the regulations, in an individual case, results in unnecessary hardship, and provided that the spirit of the regulations shall be observed, public safety and welfare secured, and substantial justice done. Such variance shall not permit any use not permitted by the zoning regulations in such district. A request for a

variance may be granted in such case, upon a finding by the board that all the following conditions have been met:

In considering the providing of a variance we wish to provide the following information:

- a. *That the variance requested arises from such condition which is unique to the property in question and which is not ordinarily found in the same zone or district; and is not created by any action or actions of the property owner or the applicant; The previous garage was in the same location and is the only place a new garage would fit.*
 - b. *That the granting of the permit for the variance will not adversely affect the rights of the adjacent property owners or residents; The neighborhood has mostly detached garages similar to this residence.*
 - c. *That the strict application of the provisions of the zoning regulations of which variance is requested will constitute unnecessary hardship upon the property owner represented in the application; There is no other space on the property where a garage can be placed.*
 - d. *That the variance desired will not adversely affect the public health, safety, morals, order, convenience, prosperity, or general welfare; It does not appear that the variance will adversely affect public health, safety, morals, order, convenience, prosperity or general welfare.*
 - e. *That granting the variance desired will not be opposed to the general spirit and intent of the zoning regulations. 503.6. Yard regulations: c. Minimum rear yard: Ten feet. Granting the variance will not be opposed to the general spirit and intent of the zoning regulations. The previous garage was built in the same place and matches the neighborhood.*
2. To grant exceptions to the provisions of the zoning regulation in those instances where the board is specifically authorized to grant such exceptions and only under the terms of the zoning regulation.

In no event shall exceptions to the provisions of the zoning regulation be granted where the use or exception contemplated is not specifically listed as an exception in the zoning regulation. Under no conditions shall the board of zoning appeals have the power to grant an exception when conditions of this exception, as established in the zoning regulation by the board of commissioners, are not found to be present.

Staff Recommendation: City Staff recommends approving the variance based upon staff recommendation of the evidence presented in each specific case that:

- a. The granting of the variance will not be detrimental to the public safety, health or welfare or injurious to other property or improvements in the neighborhood in which the property is located.
 1. There is no apparent issue with public safety, health or welfare.

- b. The conditions upon which the request for a variation is based are unique to the property for which the variation is sought and are not applicable generally to other property.
 - 1. The new garage is going back in the same spot as the old garage.
- c. Because of the particular physical surroundings, shape or topographical conditions of the specific property involved, a particular hardship to the owner would result, as distinguished from a mere inconvenience, if the strict letter of these regulations are carried out.
 - 1. The size of the old garage was too small for modern vehicles and was deteriorating.
 - 2. The new garage will be deeper but in the same location as the previous garage.

Chair Kendall Neill opened the hearing. There were no public comments.

Motion:

Kendall Neill moved to approve the variance to reduce the south side yard setback from eight (8) feet to two (2) feet, based on the staff's recommendation that all City Codes and conditions are met. Rachel Lyon seconded. Motion carried 8-0.

Planning Commission

- d. Consider setting the date of March 1, 2022, for a public hearing to receive comments to consider text amendments to Article B. – Zoning on the subject of tiny houses.

At your previous meeting you provided feedback on what you would like to see regarding a text amendment regarding Tiny Houses. The City requested the assistance of Stinson LLP to assist us with this text amendment. Below and attached is the information they provided:

Attached for review are drafts of the following documents: i) a proposed Ordinance amending provisions of the City's Zoning Code in order to allow for "tiny houses"; and ii) a comparison draft, in Word, showing proposed changes to Section 507.0 of the Zoning Code (Residential Planned Unit Developments). The latter can either be incorporated into the proposed Ordinance as an exhibit or inserted directly into the body of the ordinance, depending upon your preference. The revisions to Section 507 are currently set up as an exhibit for ease of review.

The goal was to follow the apparent consensus from the December Planning and Zoning meeting. Accordingly, the Ordinance provides as follows:

1. Tiny houses must be on permanent foundations (Ordinance, Section 1).
2. A tiny house for use by the property owners' family is a permitted accessory use (Ordinance, Section 2).
3. A tiny house for "short term rentals not elsewhere listed" is a conditional accessory use (Ordinance, Section 3). This seemed like the best way to accommodate an Airbnb type use. If there are special provisions that the City would like to impose for such a use, they can be inserted into Article X of the Zoning Code. There aren't any special provisions listed for Bed and Breakfasts, which is the most similar conditional use.
4. Tiny houses must be constructed and installed in accordance with the then-current version of all applicable codes as adopted by the City (Ordinance, Section 4). If there are any known issues with respect to tiny houses under codes currently adopted by the City, it would be possible to address such issues through an amendment. In addition, the 2018 Edition of the International Residential Code contains an Appendix specific to Tiny Houses. It appears that this Appendix helped resolve issues confronted by cities in applying prior building codes to tiny houses.
5. The revisions to Section 507 allow for a Tiny Houses/PUD. Minimum PUD size is one acre (Section 507.2.d). Permitted dwelling units is determined by doubling the amount of dwelling units that would be calculated if it was a normal residential PUD (Section 507.2.h). Please note that the numbers only reflect a general assessment of what I thought might be appropriate. Adjusting zoning ordinances to accommodate tiny houses appears to be a relatively new concept, and there isn't much in the way of relevant examples.

After discussion and any suggested modifications, if you wish to move forward with this text amendment, the next step is to schedule a public hearing.

Kelly Passauer asked if there were any questions or further modifications. If not, the next step would be to set the date for a public hearing. Any suggested modifications can be made now or at the March 1st public hearing.

An attachment of the Proposed Ordinance amending provisions of the City's Zoning Code in order to allow for "tiny houses"; a comparison draft, in Word, showing proposed changes to Section 507.0 of the Zoning Code (Residential Planned Unit Developments) and the Hearing Notice was provided in the staff report.

Motion:

Kendall Neill moved to set the date of March 1, 2022, for a public hearing to receive comments to consider text amendments to Article B. – Zoning on the subject of tiny houses. Lisa Richard seconded. Motion carried 8-0.

e. Other discussion.

- a. Kelly Passauer stated that there is an opening for the Planning and Zoning Commission. The application deadline is February 4, 2022.

Adjournment

Motion

Kendall Neill moved to adjourn. Mary Jo Meier seconded. Motion carried 8-0.

Kendall Neill, Chairperson

Rachel Lyon, Secretary

INDEPENDENCE USD #446 RECREATION COMMISSION

Monthly Meeting February 16, 2022

Ash Youth Center

1501 N. 10th Street

MEMBERS PRESENT:

Christy Mavers
Ron Goins
Tony Turner
Joe Cooley

OTHERS PRESENT:

Brent Julian
Lori Bromley
Nick McBride
Jim Butts
Galen Palmer
Lacey Lies

Christy Mavers opened the commission meeting at 11:31 a.m.

ROUTINE

Agenda

The agenda was amended to move D. Central Park Sports Complex Payment & Update under III. Bus/Finance up to A. under Bus/Finance and everything else moves down one. Tony Turner moved to approve the agenda as presented. Ron Goins seconded. Motion carried 4-0.

Minutes

Joe Cooley moved to approve the minutes from the January 19, 2022 board meeting. Ron Goins seconded. Motion carried 4-0.

Bills

Joe Cooley moved to approve the February 2022 invoices and checks for payment as printed in the amount of \$1,671.79 as well as the bills and employee benefits paid since the last board meeting in the amount of \$21,198.51. Ron Goins seconded. Motion carried 4-0.

Treasurer's Report:

Galen Palmer reported the following bank balances as of January 31, 2022: First Oak Bank – Checking: \$23,916.64; First Oak Bank – Petty Cash: \$500.00; and Equity Bank – Savings: \$331,694.47. Galen informed the commission that \$220,000.00 was immediately transferred from Equity Bank into First Oak Bank in accordance with FDIC recommendations. Tony Turner moved to approve the treasurer's report as presented. Joe Cooley seconded. Motion carried 4-0.

PROGRAM/OPERATIONS

Maintenance Report

Jim Butts answered any questions the board had on the maintenance report. A discussion was held on any maintenance needing done at the Ash Youth Center in the near future. Jim stated that he would like

to get the lights in the indoor pool area upgraded and will need to get bids on that soon. Brent stated that a lot of updates were done last fiscal year so the Ash Center should be good to go for a while.

Programs Report

Nick McBride answered any questions the board had on the programs report. A discussion was held on the pickle ball tournament scheduled for March 19th and Nick informed the board that he is hoping to have enough registrants to include divisions for men's doubles, women's doubles as well as mixed doubles. Christy Mavers asked about available gym time at the Ash Center and stated she has received some complaints that time is being taken away from open gym for members, for more adult activities. Brent stated that it is a very busy time of year as it is every basketball season, as well as women's volleyball season which will lead into a co-ed volleyball season. Brent stated that Nick does a good job scheduling the gym and even though it is the Ash Youth Center it is also the Independence Recreation Commission who holds activities from ages 1 to 100 years old. Brent pointed out the graph Nick designed to show the Central Park Sports Complex fundraising progress. Nick stated that they will soon be announcing the fundraising information and going public through IRC's Face book page and website as well as hanging banners around town etc... Nick stated donation options will be available online, at the concession stands, the Ash Center and through the purchase of engraved paving stones similar to what Forpaz did a few years ago. Ron Goins asked about flooding at the new complex stating that it seems to be one of the major concerns of the public moving forward. Brent stated that the new design will be built at a two foot higher grade as well as the plans and materials used will include features designed to withstand water. Brent stated that yes, it will most likely flood, however as many precautions are being taken as possible.

Directors Report

IRC Director, Brent Julian, answered any questions the board had on the director/aquatics report. Brent informed the board that he received the Memo of Understanding back from IRC lawyer, Dan Reynolds, and the indoor pool is set to open the weekend of March 5th from 1:00 – 6:00 p.m. Brent stated that he will put the information out on IRC's social media pages soon. Christy asked about offering the meeting room for birthday parties. Brent stated that IRC has always rented out the meeting room in two hour increments for \$50.00, however there just has not been much interest without the pool included or at least the gym, some days the gym is available and sometimes it is not. Christy stated she understands not renting out the pool, but suggested going ahead and putting the information out there on the meeting room.

BUSINESS/FINANCE

Central Park Sports Complex Update & Payment

Brent stated that IRC made the first \$40,000.00 payment to the City of Independence on December 28, 2021 for the Independence Central Park Sports Complex. Brent reminded the board that this will be an annual installment, but he is requesting payment be made in June each year instead of December. Brent stated that the month shouldn't matter as long as the payment is made each fiscal year and feels IRC has more available funds in June than in December when things tend to get tight. Christy asked if that means IRC would pay another \$40,000.00 five months from now and Brent said that it would, however it will still only be one payment per fiscal year, IRC is just better off financially in June rather than December. Ron Goins moved to approve moving the \$40,000.00 annual installment to the City of Independence to June each year. Tony Turner seconded. Motion carried 4-0. Lacey gave a quick update on where things stand with the new Central Park Sports Complex stating the timing is a little delayed due to wildlife permits and waiting on grants etc..., but the construction has been put into phases. Lacey stated, for example phase I will be the west side of the complex and will include two

baseball fields, the fitness court and concessions. Lacey stated the walking trail will be a separate phase all together. Phase II will consist of the basketball courts, pickle ball courts, batting cages and press boxes. Lacey stated they are looking into an alternative to a vertical press box, by doing covered seating for scorekeepers behind each back stop, could mean a total savings of approximately \$180,000. Lacey informed the board members that the timeline is now breaking ground this May on the west side and playing the first baseball games the summer of 2023 and soccer games the fall of 2023. Christy asked about the funding and how things are coming along, Lacey stated they have \$580,000 in pledges thus far. Lacey stated the 3-D renderings of the entire complex will be ready soon so that is exciting. Christy stated that the Community Chest would like to make a donation to the new Sports Complex, but they need more information in order to do so. Lacey suggested going through the Independence Community Foundation, which is a 501-C3 non-profit, along with financial reports from IRC would most likely work for them.

Senior Dance Contract

Brent informed the board members that it is time to renew our rental contract with ICC West for senior dances, age 55 and up. Brent stated the cost is the same as last year, \$100 per month for a total of \$1,200.00 per year. Brent stated that they normally hold two dances per month and this is an activity IRC has sponsored for several years. Joe Cooley moved to approve the rental agreement with ICC West for senior dances in the amount of \$1,200.00. Tony Turner seconded. Motion carried 4-0.

Going Digital with Board Reports

As previously discussed, Brent reminded the board IRC will go to digital board reports and packets by the next meeting March 16th. Brent stated that staff will get their reports to Lori by Monday afternoon of the board meeting week and she will scan and/or download reports into an email for all board members. Brent reminded board members to bring a device such as a tablet or a phone to the meetings to view their reports. The board agreed this would save paper and time as well as getting their packets and the agenda at least 24 hours before the meeting. Ron Goins moved to approve board reports and packets going to a digital format by the March 16, 2022 meeting. Joe Cooley seconded. Motion carried 4-0.

RBFAC Restoration Work

Brent updated the commission on the status of the restoration work going on at Riverside Beach Family Aquatic Center for paint and fiberglass repairs that the city has agreed to cover in the amount of \$140,000.00. Lacey Lies, with the City of Independence, was present to further to discuss the project and ask if IRC would be willing to pay \$10,000.00 toward such improvements as it came in higher than the city anticipated. Christy Mavers stated that her concern is IRC's small budget and the fact IRC already commits \$10,000 to the pool each year. Christy stated that she feels IRC has contributed a lot for the pool, sports complex, way-finding signage etc....which is great, but the budget only goes so far. Ron Goins asked if the \$10,000.00 IRC budgets for pool expenditures each year would cover the cost; however, Lacey stated this would be an additional \$10,000 on top of the original making IRC's pool expenditures \$20,000.00 for FY22. Brent informed the commission that the City is filing for FEMA Recovery funds from 2019 and IRC has been included in this filing. Brent stated that Jim has been helping to get the necessary documentation of IRC's 2019 loss to Lacey and the city. Christy asked if any FEMA funds are granted to IRC would the money go to the city and Lacey stated that it would go directly to the city, however, they would put the funding back into IRC facility's such as the pool or central sports complex. Christy Mavers suggested tabling further discussion of the \$10,000 pool restoration project

until the March meeting. Ron Goins moved to approve tabling a decision on a \$10,000 payment for RBFAC Restoration Work until the March 16th meeting. Joe Cooley seconded. Motion carried 4-0.

Executive Session

Christy Mavers requested to move into executive session for approximately ten minutes. At 12:23 p.m. Tony Turner moved to adjourn into executive session for five to ten minutes. Ron Goins seconded. Motion carried 4-0. The meeting re-convened at 12:30 p.m.

Items from the Commission

There were no Items from the Commission.

Adjournment

The meeting adjourned at 12:40 p.m.

Respectfully Submitted,

Tony Turner
Secretary
